

RouteA

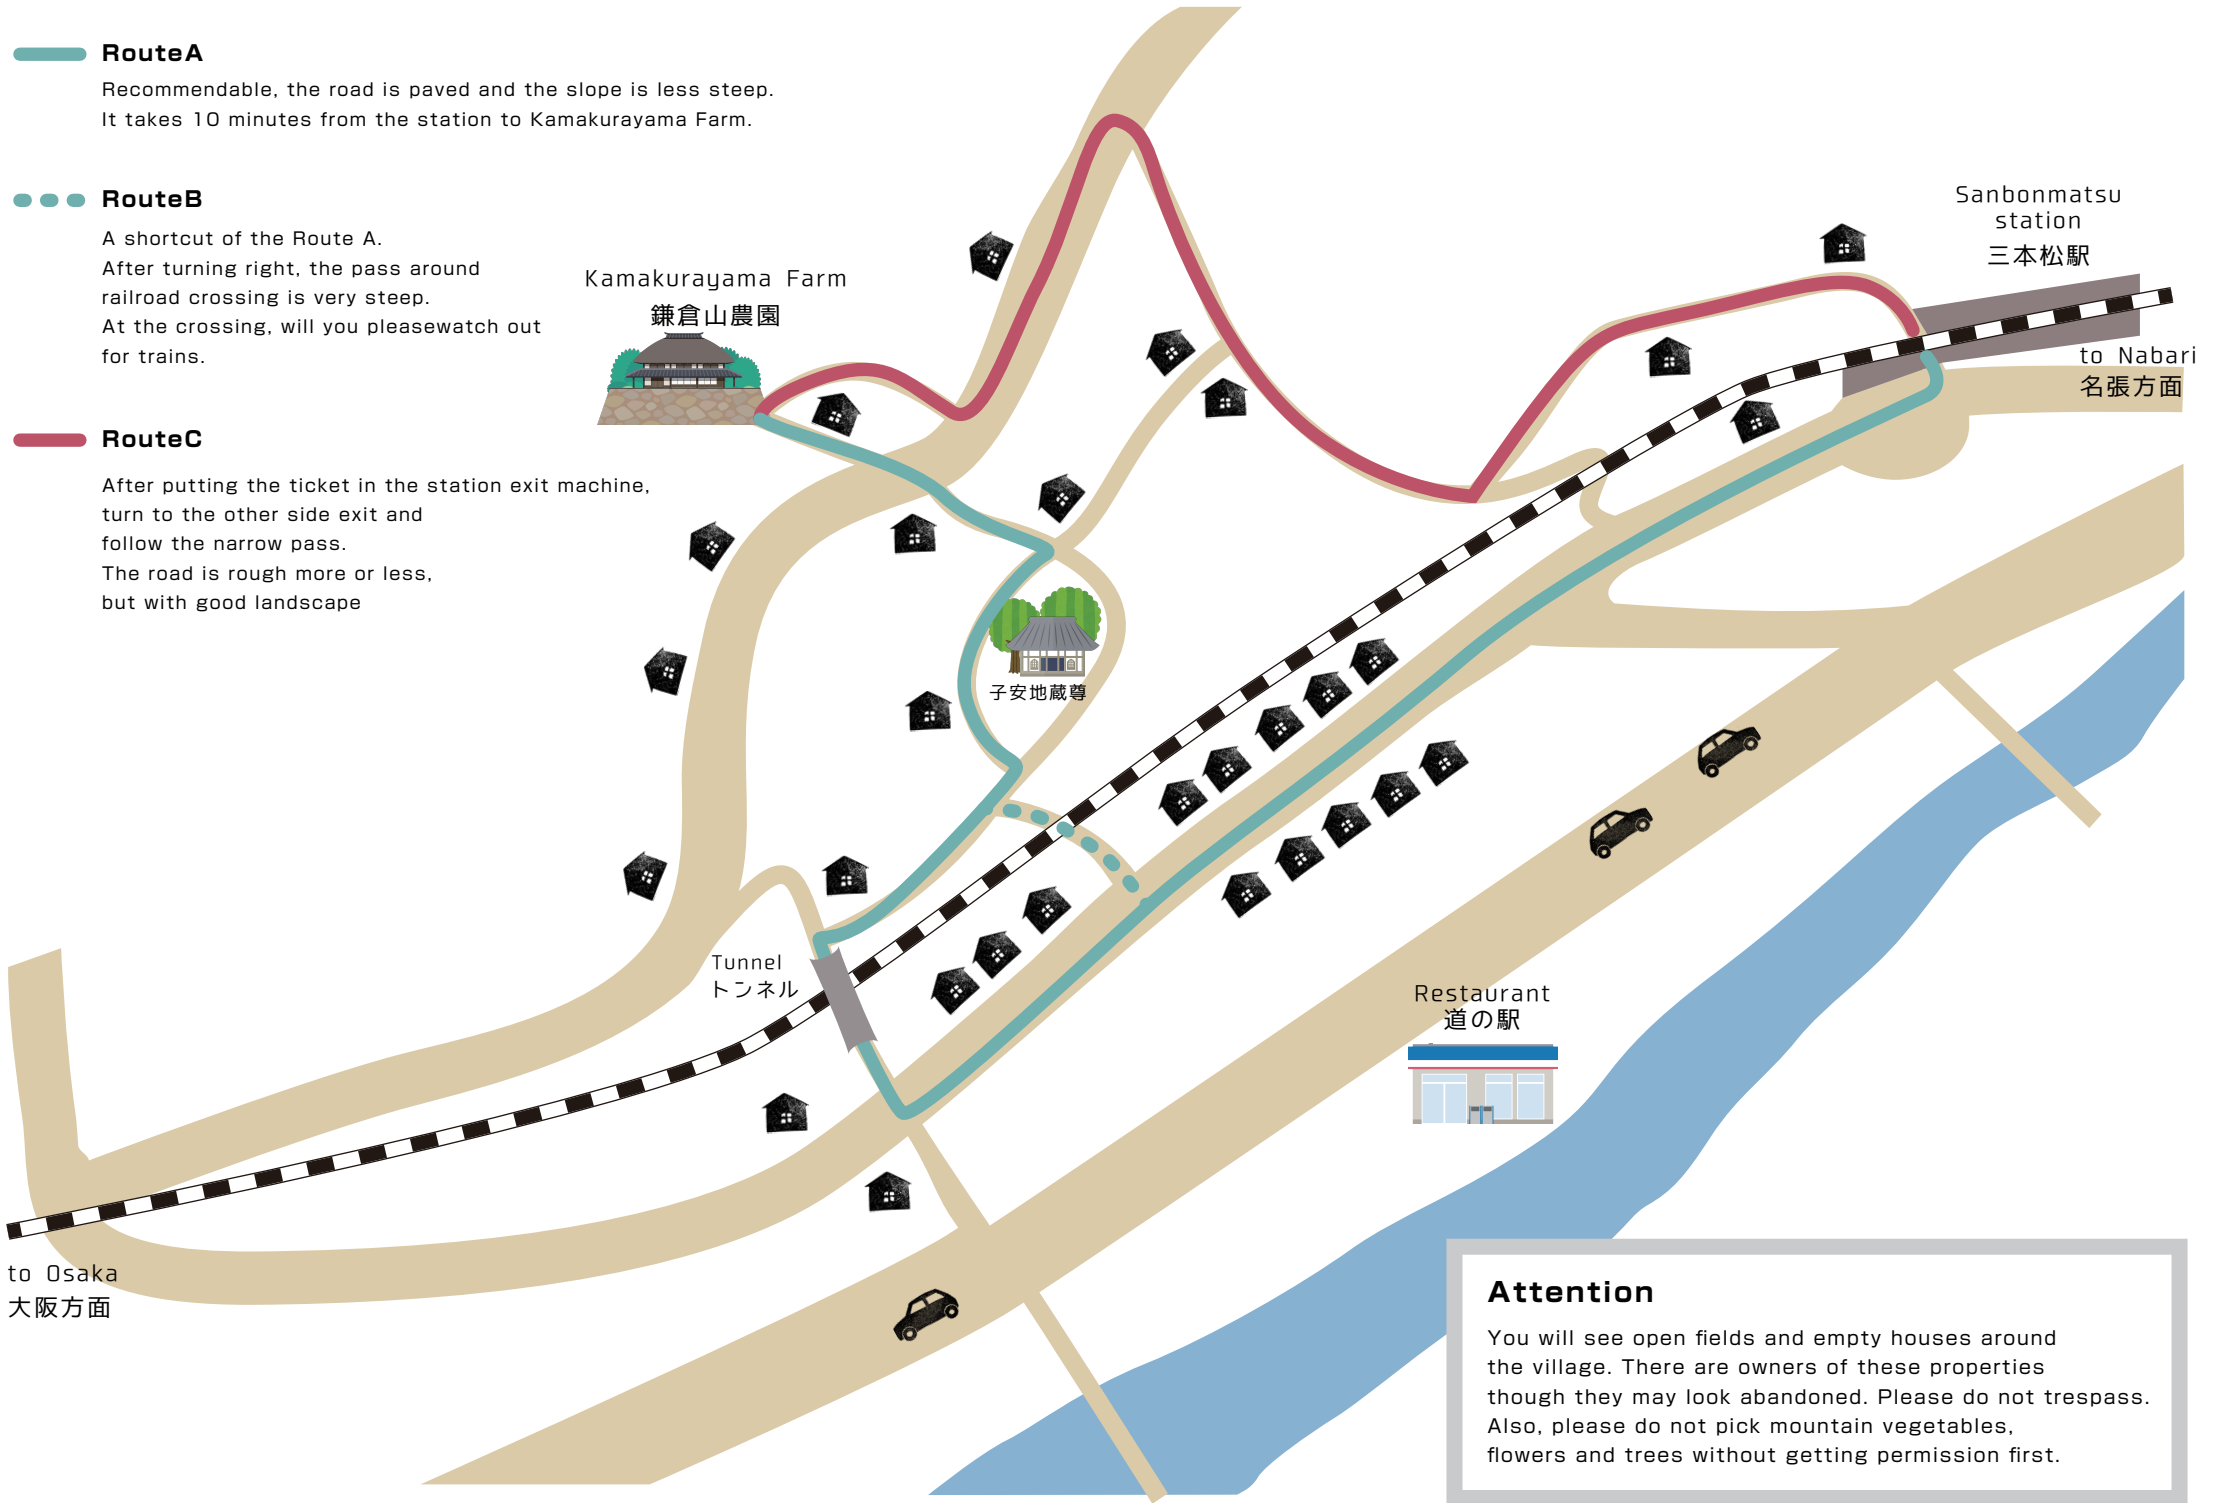

Recommendable, the road is paved and the slope is less steep.
It takes 10 minutes from the station to Kamakurayama Farm.

RouteB

A shortcut of the Route A.
After turning right, the pass around
railroad crossing is very steep.
At the crossing, will you pleasewatch out
for trains.

RouteC

After putting the ticket in the station exit machine,
turn to the other side exit and
follow the narrow pass.
The road is rough more or less,
but with good landscape

Attention

You will see open fields and empty houses around the village. There are owners of these properties though they may look abandoned. Please do not trespass. Also, please do not pick mountain vegetables, flowers and trees without getting permission first.
